

MULTIPLE CHOICE

1. A school Division Superintendent has license as a Superintendent but not as a Professional Teacher. Can his license as Superintendent takes the place of a professional Teacher's license?
 - A. Yes, if he has been Superintendent for at least 3 years.
 - B. Yes, because a Superintendent position is higher than that of a Professional Teacher.
 - C. Yes.
 - D. No.
2. What is the overall stream for education, growth and fulfillment in the teaching profession?
 - A. Merit and promotion
 - B. Lifelong career
 - C. In-service
 - D. Pre-service
3. Name the skills relevant to the teacher's looking at problems as opportunities.
 - I. Responsiveness to problem-solving
 - II. Alertness to possibilities
 - III. Strong defense for tradition
 - IV. Capacity to forget problems
 - A. I, II, III and IV
 - B. I and II
 - C. II, III and IV
 - D. I, II and III
4. What does the Teacher Education Development Program signify as a prerequisite for employment of teachers in basic education schools?
 - A. Job interviews for teacher applicants
 - B. Licensure Examination for Teachers
 - C. Induction of new teachers
 - D. National standard competencies among teachers
5. What does "Once a Teacher, forever a student" imply for the Professional Teacher?
 - A. Teacher's affinity with student
 - B. Student-centered instruction
 - C. Post-graduate studies for teachers
 - D. Lifelong learning
6. To whom does the word teacher refer?
 - I. Full time teachers
 - II. Part time teachers
 - III. Guidance counselors
 - IV. Libraries
 - A. I and II
 - B. I, II, III and IV
 - C. I, II and III
 - D. III and IV

7. A teacher introduces herself as teacher ONLY. What does this imply?
- A. The teaching profession is not a very significant one.
 - B. The teaching profession is the lowest paid profession.
 - C. She must have been forced to pursue a career in teaching.
 - D. She takes no pride in the teaching profession.
8. How do orientation sessions help the new teacher?
- I. Be attuned to the school environment
 - II. Learn guidelines to follow
 - III. Develop good relations
- A. II and III
 - B. I and II
 - C. I only
 - D. I, II and III
9. Self-evaluation can be done in various ways, but this is NOT one of them:
- A. Written reflection
 - B. Self-videotape of class performance
 - C. Use of an evaluation instrument
 - D. Peer feedback session
10. In order to assist new Teachers, which is the MOST EFFECTIVE way to clarify the school's goals and responsibilities early in the first year?
- A. School curriculum
 - B. Student's Handbook
 - C. Principal's memorandum
 - D. Orientation
11. Of the following, which needy and qualified students are most deserving of government funding assistance (scholarship; grants-in-aid, etc.)?
- A. Students from cultural communities
 - B. Students who show high learning skills
 - C. Poor transferees from private schools
 - D. Students from suburban areas
12. Former DepEd Director Lolita Andrada described her humble early schooling: a silong (ground floor of a house) converted into a classroom. Which best characterizes the situation?
- A. Church-school
 - B. City school facility
 - C. School-home connection
 - D. Rural village school
13. Students must be taught self responsibility is the desire of the _____ teacher.
- A. Utilitarianist
 - B. Pragmatic
 - C. Existentialist
 - D. Constructivist
14. What philosophical motive was behind public education during the American colonial period?
- A. Modernism
 - B. Secularism
 - C. Utilitarianism
 - D. Humanism

15. What problem is given focus by research studies which show low rate of work absorption among technical/vocational graduates?
- A. Highly protected formal sector
 - B. Training-job mismatch
 - C. Too long vocational courses
 - D. Penalized informal sector
16. To whose responsibility is assigned by the Philippine Constitution the establishment, maintenance and support of a complete, adequate and integrated system of education?
- A. The citizens
 - B. The legislators
 - C. The state
 - D. The local governments
17. Among the special rights of teachers, which is NOT provided by law?
- A. Right to refuse regular assignments
 - B. Right for career advancement
 - C. Right to be accorded respect
 - D. Right for protection
18. Among the rights of the schools, which is NOT provided by the law?
- A. Right for basic education to determine subjects of study
 - B. Right to provide proper governance
 - C. Right to enforce administrative systems
 - D. Right for institutions of higher learning to determine academic grounds for admission
19. Of the following, which is the most effective way to advance practical oral proficiency of students?
- A. Give more group work compared with individual work
 - B. Request the construction of a school speech laboratory
 - C. Engage students in conventional activities
 - D. Give stress to correct grammar
20. From the Constitution, what is the condition for allowing students to be taught religion in public schools?
- A. Extra pay for teachers
 - B. Catechists paid by government
 - C. Upon written permission by parents
 - D. Outside of school hours only
21. Which theory calls for adaptation to the learner's biological and developmental set of characteristics?
- A. Learning Style Theory
 - B. Emotional Intelligence Theory
 - C. Reading Readiness Theory
 - D. Multiple Intelligence Theory
22. Who is best equipped to lead in the formulation of an Individual Educational Plan for Special Children?
- A. Child therapists
 - B. Special education teachers
 - C. Parents of special children
 - D. Child psychologist

23. What is mainly addressed by early intervention program for children with disabilities, ages 0 to 3 years old?
- A. Prevention labeling of disabled children
 - B. Ensuring inclusion for special children
 - C. Early growth developmental lag
 - D. Identifying strengths and weaknesses in special children
24. How should teachers regard new trends and reforms in education?
- A. As a development need
 - B. As a wave in millennial change
 - C. As an opportunity
 - D. As an issue or problem
25. What is the cultural trait of conflicting values that aims to please people in different venues and situations rather than abide by principles?
- A. Bahala na mentality
 - B. Crab mentality
 - C. Split-personality
 - D. Kanya-kanya system
26. Under R.A. 7722 or Higher Education Act of 1994, which agency has direct supervision and management of teacher education institutions or colleges of education in the country?
- A. Commission on Higher Education
 - B. Professional Board of Teachers
 - C. Teacher Education Council
 - D. Department of Education
27. Under R.A. 7722 or higher Education Act of 1994, which agency identifies supports and develops centers of excellence among higher education institutions in the country?
- A. Department of Education
 - B. Professional Regulation Commission
 - C. Commission on Higher Education
 - D. Teacher Education Council
28. Along the aim of towards labor for integrity, which aspect of work needs to be taught to future employers and employees in the 21st century workplace?
- A. Industry skills and orientation
 - B. Wages and incentives
 - C. Human Rights issues
 - D. loyalty for company and work
29. What is the initial knowing process learned by the individual that revolves around practical problem-solving?
- A. Thinking
 - B. Obeying
 - C. Listening
 - D. Believing

30. Which of the following has greatly influenced the introduction of K-to-12 reform in basic education?
- A. Need to employ more teachers
 - B. Need to conform international standards
 - C. Need to allot for more funding
 - D. Need to upgrade facilities of schools
31. Blind cyclist and teacher Maria Bunyan won 8th place in the able-bodied Sydney 2000 Olympics. Of the following which is the central and fundamental quality she displayed by never thinking that blindness is an impediment to becoming a great athlete?
- A. Self-belief
 - B. Dedication
 - C. Perseverance
 - D. Passion
32. What is the degree of moral certitude of Alegre who entered into marriage only out of obedience to her parents, but uncertain whether she wanted marriage at all?
- A. Lax
 - B. Probable
 - C. Doubtful
 - D. Certain
33. What best describes "puwede na" mentality vs. excellence in service/work?
- A. Arduous preparation
 - B. Resignation to mediocrity
 - C. Committed work
 - D. Striving to be the best
34. In the poem, "When in Distance with Fortune and Men's Eyes" Shakespeare felt depressed looking at his sad fate and wishing he were someone else more rich, with many friends, with greater skills and future prospects in life. What is the best antidote to such depressed feelings?
- A. Deny that others have more than you have
 - B. Count your own blessings

 - D. "You will report early to school tomorrow or you will be marked absent"
45. Among mistaken goals in the Acceptance Approach to discipline, what happens when students are not getting the recognition they desire, continually seek help, and refuse to work unless the teacher hovers over them?
- A. Withdrawal
 - B. Power seeking
 - C. Attention getting
 - D. Revenge seeking
46. Judging the relative severity of common classroom management strategies, which of the following is LEAST severe if applied on erring students?
- A. Surprise quiz
 - B. Lowering school mark
 - C. Throwing student out of class
 - D. Summons to principal's office
47. To what problem type do students belong, who have difficulty due to low potential or lack of readiness rather than motivation to work?
- A. Underachiever
 - B. Low achiever
 - C. Withdrawn
 - D. Immature
48. Of subcategories of teacher movement behavior, what is happening when the teacher bursts into activities without assessing student readiness and gives orders, statements, or questions that confuse students?
- A. Stimulus-bounded
 - B. Truncation
 - C. Thrust
 - D. Dangle
49. In the school, who is the key to the success or failure in teaching-and-learning, being the link between the child and the curriculum?
- A. The parent
 - B. The teacher
 - C. The student
 - D. The principal
50. For the group guidance approach to classroom management, what element is lacking when work is badly scheduled, badly sequenced or confusing?
- A. disturbances in group climate
 - B. poor group organization
 - C. Poor interpersonal relations
 - D. Dissatisfaction with classroom work
51. Which of the following is an active strategy in transformative education?
- A. Drill
 - B. Lecture
 - C. Brainstorming
 - D. Demonstration

52. How does the "humaneness" of the teacher best describe when he/she is full of interest and enthusiasm in the work of teaching?
- A. Knowledge
 - B. Responsiveness
 - C. Perceptiveness
 - D. Sensitivity
53. For problems of discipline that cannot be resolved in class which of the following should NOT be done as it reduces the authority of the teacher?
- A. Rely on others to resolve your classroom problems
 - B. Analyze your methods
 - C. Give students a chance to redeem himself
 - D. Communicate with parents
54. Among the mistaken goals in the Acceptance Approach to discipline, what happens when students feel helpless and rejected so that they remove themselves rather than confront the situation?
- A. Withdrawal
 - B. Power seeking
 - C. Revenge seeking
 - D. Attention getting
55. Among styles of classroom management, which expects teachers to specify rules of behavior, consequence for disobeying them, and to communicate these rules and consequences clearly?
- A. Business-academic style
 - B. Behavioral modification style
 - C. Group managerial style
 - D. Assertive style
56. To manage behavior, the teacher needs to be able to identify the mistaken goals of students. What is the hidden goal of students who refuse to cooperate or participate?
- A. Goal is to get revenge
 - B. Goal is to isolate self
 - C. Goal is to seek power
 - D. Goal is to get attention
57. Under the psychomotor domain of learning what relates to expressive movement proper posture, gesture, facial expression and creative movements, e.g. taking part in a play?
- A. Skilled movements
 - B. Perceptual abilities
 - C. Non-discursive communication
 - D. Reflex movements
58. In the implementation of the curriculum at the classroom level, ineffective strategies are called "Red". Which of the following belongs to the Red Flag?
- A. Integration of problem solving
 - B. Available enrichment activities
 - C. Content applied to real-life situations
 - D. Overemphasis on drill and practice
59. Of the following, which is NOT an example of instructional goals?
- A. Critical understanding of Lyric poetic lines
 - B. Appreciation of art
 - C. Understanding mathematical concepts
 - D. Development of reading skills

60. Which of the following will not serve the aims of Sequential Synthesizing Technique (SST) to enhance one-way lecture in class?
- | | |
|---------------------------|----------------------------|
| A. Rhetorical questioning | C. Plus-minus survey sheet |
| B. Test after the lecture | D. Small group discussion |
61. Following a model procedure how is the process in Problem-Based learning sequenced?
- | | |
|--|---|
| I. List action for what we need to know | 3 |
| II. Explore the issues | 1 |
| III. Write solution with supporting document | 4 |
| IV. Develop and write problem statement | 2 |
- | | |
|----------------------|----------------------|
| A. I, IV, II and III | C. II, IV, I and III |
| B. II, I, IV and III | D. III, I, IV and II |
62. Under the domains of learning, to what domain do Comprehension Analysis and valuation belong?
- | | |
|---------------|----------------|
| A. Reflective | C. Affective |
| B. Cognitive | D. Psychomotor |
63. Of the following, which is a non-threatening style of disciplining unruly students?
- | | |
|--------------------------------|----------------------------|
| A. Stand under heat of the sun | C. Send to guidance office |
| B. Do push-ups | D. Squat before the class |
64. Among unit plan components, to what cluster do projected competencies-outcomes belong?
- | | |
|----------------------------|--------------------------|
| A. Resources and materials | C. Evaluation procedures |
| B. Objectives | D. Content |
65. What is being shown by teachers who ignore slow-learners and take pride in the work of fast learners?
- | | |
|-------------|-----------------------|
| A. Bullying | C. Hurting Invektives |
| B. Cursing | D. Discrimination |
66. In the process of integrating technology in instruction, which of the following points to the highest kind of cognitive skills desired?
- | | |
|------------------------------------|--------------------------------|
| A. Nurturing of class teamwork | C. Introducing social learning |
| B. Engendering meaningful learning | D. Developing metacognition |
67. When classes began, Teacher Dan asked students in pairs to interview and introduce each other to the class. How will this activity be classified according to Edgar Dale's cone of experience?
- | | |
|--------------------------|-------------------------|
| A. Purposeful experience | C. Dramatize experience |
| B. Verbal symbols | D. Demonstration |

68. Of the following, which is the most traditional "technology" in the limited sense of tools for education?
- A. Moving film
 - B. Chalkboard
 - C. CD-ROM
 - D. Graphs and photos
69. What provides the most direct type of learning, but is difficult to supply in the traditional classroom?
- A. Real-life experience
 - B. Computer-assisted learning
 - C. Verbal symbolism
 - D. Multisensory instructional aids
70. What competency is achieved when students are assigned to prepare a class newsletter?
- A. interviewing
 - B. Internet downloading
 - C. Information writing
 - D. Photographic documentation
71. Among the following terms in technology, what has the broadest concept of technology for the whole educative system?
- A. Computer technology
 - B. Audiovisuals
 - C. Instructional technology
 - D. Educational technology
72. According to Nagel's Acronym PPPF, what is important to Follow Up in the proper use of instructional materials?
- A. Student interest
 - B. Student expectations
 - C. Lesson Objective
 - D. Media and materials
73. In her tests, Teacher Dorie made tests that were either too difficult or too easy. What was wrong with her tests?
- A. Inappropriate level of difficulty of the test items
 - B. Identifiable pattern of answers
 - C. Unclear directions
 - D. Ambiguity
74. Of the following, which is NOT a characteristics of the Response Journal that reflects observations and interpretations of the student such as on a reading material or a field visit?
- A. Encourage risk taking
 - B. Literary and grammatical
 - C. Open and factual
 - D. Non-threatening
75. Principal Rodriguez introduced machine scored tests in his school. What factor in scoring does this add to make tests more reliable?
- A. Objective scoring
 - B. Cost-saving
 - C. Ease in checking
 - D. Time-economics

76. Since Teacher Alvin wants his test to be more reliable, which of the following should he adopt?
- A. Make a test that requires students the need for more time to complete
 - B. Make the test difficult
 - C. Increase number of test items
 - D. Restrict range of abilities in the test
77. In preparing classroom tests, which of the following checklist is the LAST among steps in tests preparation?
- A. How are the test scores to be tabulated?
 - B. Have I prepared a Table of Specifications
 - C. How are the test results to be reported?
 - D. How is the objective item to be scored
78. Among the opportunities for Essay Questions, which of the following does NOT provide high-level thinking opportunity?
- A. Analysis
 - B. Evaluation
 - C. Synthesis
 - D. Memorization
79. Among active participation of school officials and teachers in the community, which of the following is NOT appropriate due to preventing religious sentiments?
- A. Literacy assistance for out-of-school children/youths
 - B. Household campaign for healthful practice
 - C. Introducing cooperative thrift practices
 - D. Promoting contraceptives for Planned Parenthood
80. Of the types of validity for test, what reflects the knowledge and skills in the program of students?
- A. Curricular validity
 - B. Criterion validity
 - C. Content validity
 - D. Predictive validity
81. Among cognitive levels of thinking, what cognitive level is stressed by the Essay question: "In the light of the facts presented, what is most likely to happen when...?"
- A. Inferring
 - B. Classifying
 - C. Applying
 - D. Analyzing
82. For easier correction of his test, Teacher Edward prepared the True and False items in alternating 1, 3, 5, 7, etc. True, and 2, 4, 6 etc. False. What is wrong with the test in terms of Usability?
- A. Improper arrangement of items
 - B. Identifiable pattern of answers
 - C. Ambiguity
 - D. Poorly constructed test items
83. Of the types of validity test, what reflects the knowledge and skills in the program of students?
- A. Curricular validity
 - B. Criterion validity
 - C. Content validity
 - D. Predictive validity

84. Which of the following best describes creativity?
A. Imaginative C. Resourceful
B. Positive D. Inspired
85. Of the following which is basic top development reading or reading as a developmental task?
A. Higher thinking process C. Vocabulary meaning
B. Word recognition D. Degrees of comprehension
86. Learning is influenced by social interaction and interpersonal relation. What must a "teacher do"?
A. Make students feel good about themselves
B. Motivate students to reflect on how they learn
C. Give more independent study
D. Make students work collaboratively
87. Someone said, "Experience without theory is blind, but theory without experience is mere intellectual play" this means that _____.
A. Theory and experience must go on hand-in-hand
B. Theory is more important than experience
C. Experience is more important than theory
D. One can stand without the other
88. Of the following, which is the best way parents can support the learning development of their children?
A. Buying materials for class projects
B. Making calls on teachers
C. Interest and assistance in class assignments
D. Checking report card grades
89. Of the following, which best describes peer teaching-and-learning?
A. Individual C. Personal
B. Collegial D. Professional
90. How can new information be made more meaningful to students?
A. Valuing new knowledge
B. Relating it to knowledge they already know
C. Demonstrating novelty of new knowledge
D. Increasing retention of new knowledge
91. Which of the following does NOT belong to the meta-cognitive reading activities?
A. Predicting C. Sampling
B. Testing D. Perceiving

92. On components of direct instruction, which involves teachers and students working together on a skill or task and figuring out how to apply the strategy?
- Guided practice
 - Application
 - Consolidation
 - Modeling
93. To survive in the global community and in the twenty first century, one must be a _____.
- Digital expert
 - Digital immigrant
 - Digital native
 - Authority
94. Historian Luna viewed authoritarian democracy is good governance due to the reported strict discipline observed by citizens during the Martial Law Period of the 1970s. What level of comprehension did Historian Luna apply?
- Applied reading beyond the lines
 - Interpretative reading between lines
 - Literal reading the lines
 - Evaluative reading on character, plot or style
95. Sequence the following events on the historical development of reading.
- | | |
|---|---|
| I. Greek letters and the Roman alphabet were developed | 3 |
| II. Through the Semite's ingenuity, sounds and symbols gave rise to the Phoenician alphabet | 2 |
| III. People used pictures and characters to convey messages | 1 |
| IV. Researchers showed the process of reading, comprehension and Interpretation | 4 |
- I, II, III, and IV
 - I, II, IV and III
 - III, II, I and IV
 - IV, II, I and III
96. What is known as getting the meaning of a new unfamiliar word by looking for hints form surrounding words in a sentence or paragraph?
- Context clues
 - Syntactic clues
 - Semantic clues
 - Graphophonic clues
97. Among models of reading strategies, what did student Lina adopt when she read back and forth, attending to both what is in her mind and what's on the page?
- Down-top
 - Interactive
 - Top-down
 - Bottoms-up
98. Among teaching styles, how do you classify teachers who are control oriented and impose rules without explanation?
- Authoritative
 - Authoritarian
 - Permissive
 - Uninvolved

99. In learning complex matters, what is important to give focus on?
- A. Separate and diverse thoughts and beliefs
 - B. Meaning from information experience and beliefs
 - C. Past information and knowledge
 - D. Interest applicable to everyone
100. Which is NOT an aim in having partners in team learning?
- A. Focused attention
 - B. Sharing ideas
 - C. Cooperative work
 - D. Lighter work
101. Among the components in the instructional framework for learning strategies, which is demonstrated by teacher Ana who assigns homework for students to do on their own?
- A. Independent practice
 - B. Review
 - C. Consolidation
 - D. Modeling
102. In the taxonomy of learning objectives or outcomes, which relates to judging in terms of internal evidence or logical consistency, or external evidence consistent with fact?
- A. Evaluation
 - B. Receiving
 - C. Valuing
 - D. Application
103. In the 5 S Formula to create a conducive learning environment, which S stands for cleanliness of the work place?
- A. Self-discipline
 - B. Systematic
 - C. Shining
 - D. Sort
104. In his Literature class, teacher Ted stress to one's own ability to write poetic verse drawn from sensible images thoughts and perceptions. What creative thinking behavior is he trying to develop in students?
- A. Curiosity
 - B. Awareness
 - C. Originality
 - D. Elaboration
105. Among thinking skills in learning, what includes fluent, flexible, original and elaborate thinking?
- A. Divergent thinking
 - B. Convergent thinking
 - C. Critical thinking
 - D. Problem solving
106. In elearning, which is the motivational aspect of learning through the electronic media?
- A. Virtual learning
 - B. Enthusiasm to use technology
 - C. Technology integration
 - D. Digital platforms

107. What is the main focus of the Schools Mean Success (SMS) concept for lifelong learning?
- A. School recognition and accreditation for success
 - B. Tapping student's potentials for success
 - C. Pillars of instruction, research and outreach for success
 - D. Mission-vision of schools for success
108. What observation attests to the fact that the student's motivation vary according to socio-cultural background?
- A. Females mature earlier than boys
 - B. Genetic endowments may show gifted endowments among the young
 - C. Brains of boys are bigger and better than those of females
 - D. Children from low-income household meet more obstacle in learning
109. What is the primary advantage of active learning techniques (discussion, role play, gaming, etc.) in instruction?
- A. Higher order thinking
 - B. Problem-solving
 - C. Student engagement
 - D. Focus on questions not answers
110. Classroom routines form the backbone of daily school activities, but which of the following is NOT covered by such routines?
- A. Lesson content
 - B. Distribution of papers
 - C. Seating arrangement
 - D. Submission of work
111. Following Kohlberg's Theory of Moral Development, what is the moral reasoning or perspective of Joy who allows her classmate to copy her test work, so that she will be her friend?
- A. Social approval
 - B. Punishment
 - C. Obedience
 - D. Law and order
112. What condition afflicts child learners who have to count on fingers to tell whether 5 is more than 4?
- A. Emotional
 - B. Neurological
 - C. Mental
 - D. Physical
113. In Outcome-Based education, which of the following are not considered as outcomes?
- A. Products
 - B. Procedures
 - C. Portfolios
 - D. Performances
114. Where can students find critical views on current events in newspapers?
- A. Entertainment
 - B. Opinion page
 - C. Ads section
 - D. News page

115. Among written categories of assessment methods, what instruments did teacher Mona use when she used a check list in order to grade the dramatic performance of students in play?
A. Performance test C. Product rating scale
B. Observation and self reports D. Oral questioning
116. Which is the research method or techniques best suited for the study of the incidences in early marriage in Barangay Rizal?
A. Case study C. Observational technique
B. Historical method D. Opinion polling
117. How can lessons be made more meaningful by way of learning continuity?
A. Add value to content C. Stress retention of facts
B. Introduces new content D. Relate present with past lesson
118. What should be the basis of remedial instruction?
A. Complex patterns in learning
B. Basic errors and lapses
C. Errors, failings and lapses
D. Identified systematic errors by students
119. What desirable thinking behavior is aimed I poetry writing activity
A. Interest C. Awareness
B. Originality D. Curiosity
120. Among general categories of assessment methods, what instruments did pre-school teacher Eva use when she rated the hand writing of her student using a prototype handwriting model?
A. Performance test C. Written response instruments
B. Observation and self-reports D. Product rating scale
121. Which indicator is most useful for assessing quality of schooling?
A. Drop-out rate C. Net enrollment rate
B. Cohort survival rate D. Participation rate
122. With what should the assessment of test items be aligned?
A. Monitoring and evaluation C. Instructional media
B. Instructional objectives D. Content and process
123. Of the following, which is most conducive for authentic assessment?
A. Complex multiple-choice test C. De-contextualized setting
B. Performance drill D. Real world application

124. In order for assessment to have clarity of learning targets, outcomes must be stated in behavioral terms so that this can be measured. Which of the following shows this desired clarity?
- A. To practice reading with competence
 - B. To improve the speed of reading competence
 - C. To appreciate reading competence
 - D. To understand the concept of reading competence
125. What is an example of a book or writing intended for moral knowledge of the very young readers?
- A. Romeo and Juliet
 - B. Diary of Anne Frank
 - C. Jack and the Beanstalk
 - D. Les Miserable
126. Using rubrics, which is futuristic and hypothetical among the following criteria chosen to assess a planned students affairs program for the school year?
